

Business Strategy Manager.

Position title: Business Manager (temporary, 4-6 months).

Responsible to: The chief scientific officer.

Company description.

MVT *in Silico* Corp, located in London Canada, is a disruptive deep technology company in search of life saving medical treatments using its new ways of deploying non-animal methods which include proprietary physics driven software (CM&S), R&D devices, and experimental development. See: <https://www.mvtinsilico.ca> for more information.

Your Qualifications.

- Strong academic record, Bachelor's Degree qualified, preferably graduate qualified.
- Excellent understanding of business strategies, operations and procedures; especially of early stage companies.
- Excellent communication and interpersonal skills.
- Strong organizational and planning skills.
- Outstanding research and analytical abilities.
- Project management skills.
- Strong leadership skills.

Strategy Manager Responsibilities.

- Supporting the development of long-term organizational strategy.
- Assist in developing company strategies.
- Conducting research and analyses of operational effectiveness, processes, stakeholders, investor opportunities, and similar.
- Planning, implementing and managing proposed recommendations and projects.
- Assist in reporting on company's projects.

Working conditions.

- Standard workweek is 35 hours.
- Standard hours per workday are 7 hours.
- Hotdesking on premises.
- Some independent regional and national travel.
- High pressure due to work volume, numerous competing demands, time sensitive schedules, dynamic priorities, regular interruptions and an overall fast pace.
- Sitting, sometimes for long periods with occasional walking and standing.
- Exposure to computer screens, sometimes for long periods.
- Adherence to all health and safety procedures, policies and legislation at all times.
- Adherence to quality procedures, policies and standards at all times.

Compensation. This position will be compensated at market rates (\$7,500 for 4 months) at FTE (35 hours per week) commensurate with the candidate's skills. Applicants will be supported in their Youth Employment and similar scholarship applications. Employment is not contingent on scholarship application outcomes.

Application and selection process.

Interested applicants should send their cover letters, detailed CVs, list of referees, and a one page statement of how they will perform duties. The three part selection process entails an interview, a take home exercise, followed by a second interview. You should send your applications to Dr. SR Kharche at sumus@mvtinsilico.ca.

Only those applicants that suit the role at each stage will be contacted for progression to the next stage. In accordance with our company policy, employment is conditional upon the receipt of all necessary documentation.
